First Unitarian Church  
of Salt Lake City

Special Auction Edition  
October 2009

## Special Auction Edition - *Raise YOUR Hand* in support of liberal religion in Utah!

First Church's Auction offers each of us a wonderful opportunity to generously share ourselves with our fellow congregants. The goal of the annual auction is to raise funds to support the organizational and physical structure necessary for First Church to deliver its many and important ministries.

The monies raised at this event are critical to increasing our voice in the community. Please plan to come, have fun, and give generously of yourself. And, if you can't attend, your generous donation to the Auction fund will add to our community's success as well.

Please take a moment to read through this Special Edition of the Torch and see what exciting options are being offered this year. Plan your vacations, week-end get-aways, and holiday and birthday shopping, and fill your 2010 social calendar with sure-to-be memorable events. There is something for everyone and great deals to be had!

Thank you for your support of First Church, its valued staff and its mission in Salt Lake City.

Sincerely,

*Ed Dieringer*
